*TRANSPORTATION AND LAND MANAGEMENT AGENCY*  
**Environmental Programs Department**

**Authorized Biological Consultants**

*Carolyn Syms Luna*  
**Director**

The Riverside County Environmental Programs Department (EPD) requires that all biological consultants, both firms and individuals who prepare biological report(s) for review by the county have an executed agreement on file with the Department. Biological consultant(s) with current agreements on file with Riverside County are included on the EPD's **Authorized Biological Consultant(s) Listing** that is located on the Department's web-site at [www.rctlma.org/epd/index.html](http://www.rctlma.org/epd/index.html). The list is NOT an endorsement by Riverside County, or EPD, nor does Riverside County or EPD make representation or warranty, of any kind, expressed or implied, of a biological consulting firm or individual's qualifications, ability or capacity. The "list" is not intended to act as an advertising tool for biological consulting firms or individuals, and is made available as a courtesy to the public, and should be used as a resource tool in locating the services of a County "authorized" biological consultant(s).

The public is advised to conduct appropriate reference and background checks prior to engaging any firm or individual to ensure that the firm or individual is in compliance with the law and familiar with current biological reporting guidelines and procedures established and required by Riverside County.

To be authorized as a biological consultant, please submit a wet signed copy of the "agreement" to Riverside County – Environmental Programs Department, 4080 Lemon Street, 12<sup>th</sup> Floor, Riverside, CA 92502. A current copy of the agreement can be downloaded from the Department's web-site [www.rctlma.org/epd/index.html](http://www.rctlma.org/epd/index.html) under the "Consultant Resources" tab.

For questions and/or comments regarding the list or agreement, please contact Monica Thill via e-mail at [mthill@rctlma.org](mailto:mthill@rctlma.org) or by telephone at 951-955-6892.
